

---

## *Printing Files*

---

- **Accepted File Types:** PDF (version 1.4 or higher)
- Artwork must be Print Ready
- 2mm Bleed on all sides of the flyer
- 3mm Safe Zone on all sides is recommended
- 300 dpi resolution for all images in **PDF** files
- CMYK or Grey Scale colours only
- Fonts need to be embedded or converted to curves

We will transport the completed flyers to the distributor ready for delivery.

**ALL FILES ARE PRINTED AS SUPPLIED TO US**

---

## *Delivery Only*

---

All stock must be bundled in either 250's or 500's and in cartons of no more than 15kg's.  
(That's a regular A4 size box full)

For each carton please label as follows: (\*Essential)

- \*Business Name: The name of your business
- \*Booking ID Number: Found in your confirmation email
- Campaign Name: Also found in your confirmation email
- \*Quantity: How many flyers are in each bundle?
- Weight: How much does each bundle/box weigh?
- Weight: How much does the pallet weigh (inc. wood)
- \*Total Quantity: How many total flyers are you delivering?

---
